FOR IMMEDIATE RELEASE

County Commissioners Open Bids for County Road Centerline Striping, Railroad Markings

During Monday's Commissioners Meeting, on July 16th, the Tuscarawas County Commissioners opened bids for Engineer Project #3-2018 TUS VAR PM (Pavement Markings). This project consists of centerline striping 194.16 miles of county roads throughout Tuscarawas County in two parts, and marking twenty-eight railroad symbols at fifteen crossings. During the budgetary process in January, the Commissioners provided a grant of \$100,000.00 for this project.

Joseph Bachman, Tuscarawas County Engineer, was present to read the following bids:

Bidder	Amount	Bond
Oglesby Construction Inc.	\$232,804.36	X
Aero-Mark Inc.	\$213,003.00	X

Following the bid opening, the bids were taken under advisement by the Commissioners. A decision will be made at an upcoming meeting following review by the Engineer and Legal Counsel.
