Tuscarawas County Auditor's Office Unveils New GIS Website

Date: October 31, 2018

Release: *Immediate*

Contact: *Larry Lindberg, County Auditor at 330-365-3312*

In partnership with Bruce Harris and Associates, Woolpert, Incorporated and Environmental Systems Research Institute, the Tuscarawas County Auditor's Office has unveiled its new Geographic Information System (GIS) website. GIS describes an information system that integrates, stores, edits, analyzes, shares and displays geographic information. This new web-based system will combine location with recorded data about that location, which will allow constituents to have a more interactive experience when viewing the County's real estate information online. The public will be able utilize various search options and measuring tools when using this site. This project began in the spring of 2018 and was completed October 31, 2018. You can view our new GIS website at <http://gis.co.tuscarawas.oh.us/Taxmap/>.
