## COMMISSIONERS APPROVE ENTERPRISE ZONE AGREEMENT WITH PLEASANT VALLEY TEARDROP TRAILERS, AKA, NUCAMP

The Board of County Commissioners approved an enterprise zone agreement with Pleasant Valley Teardrop Trailers, AKA, NuCamp in Sugarcreek to construct an additional service facility for onsite repairs of their trailers. The building will cost between \$3.3-\$4.1 million dollars. Upon completion, it is expected that this will create an additional 20 jobs. The company has 164 employees at present.

Pleasant Valley Teardrop Trailers, AKA, NuCamp also has a corporate partnership with Garaway School District. This has been a positive endeavor for the village, school district and county.

Tuscarawas County would like to thank you for your continued support, dedication and contributions you have made. We would like to wish you luck on your future endeavors.
