Opportunities for Ohioans with Disabilities (OOD), along with vocational rehabilitation (VR) contractors, help people with disabilities prepare for, get, keep, advance in and/or regain a job. OOD recognizes mental health, substance use disorders, physical, sensory, cognitive, and more as disabilities. If you have a disability and need help preparing for getting, keeping, advancing in, and/or regaining a job, you can fill out an application for vocational rehabilitation (VR) services. You will then be scheduled for an appointment with VR staff or a VR contractor to talk about services.
