Discussion: Bob Baker, Commissioner's Representative on the Harcatus Board, was present to give an update on Harcatus. His wife was also in attendance. Mr. Baker distributed the annual report and the updated board members. Harcatus held their annual meeting June 23, 2021 and elected officers: Bob Baker, President; Commissioner Chris Modranski, Vice President; Elmer Leeper, Treasurer; and Bryan Bartimus, Secretary. Commissioner Abbuhl asked how the pandemic effected their programs. Mr. Baker said it was a bit of a challenge but the virtual meetings went smooth with their June meeting being their first in person meeting since the pandemic. The weatherization program had to be cut back a little bit as they were not allowed to go in to some places. Mr. Baker reminded the Commissioners that his appointment will expire in June of next year. Commissioner Abbuhl stated his appreciation for Mr. Baker serving on the board and taking a leadership role as this takes a lot of time and effort. Commissioner Abbuhl added that Harcatus has a history of serving the community. Commissioner Metzger expressed his appreciation for the Retired Senior Volunteer Program (RSVP) As chairman for the Anti-Drug Coalition (ADC), Commissioner Metzger stated the ADC would not be able to do the programs and projects without the help of RSVP. He also wanted to congratulate Peggy Leslie who is in charge of the program and a member of ADC for all the work they do to help get the message out on drug use and drug misuse. He thanked Mr. Baker for being a part of a good group of board members and program directors.

Discussion: Michael Jones, PE, Sanitary Engineer and Director of the county water and sewer department was present to follow up on the Wilkshire Hills Water System Improvement project. He received a supplemental loan to cover the cost of the increase in fees. The next step is to formally approve the amendment to the contract to cover additional engineering services that were not in the preliminary design but have been deemed necessary. Once the county approves the amendment it will be sent to USDA for approval. Commissioner Metzger asked how much additional work is needed. Mr. Jones stated a net increase of $13,000.

RESOLUTION (533-2021) APPROVING AMENDMENT 1 TO THE AGREEMENT WITH THE THRASHER GROUP FOR THE WILKSHIRE HILLS WATER SYSTEM IMPROVEMENTS RELATING TO ADDITIONAL DESIGN SERVICES AND AUTHORIZING THE EXECUTION OF SAID AMENDMENT

It was moved by Commissioner Metzger, seconded by Commissioner Abbuhl, to approve the foregoing resolution:

WHEREAS, certain changes were needed to incorporate into the design of the Wilkshire Hills Water System Upgrades that were not included in the Preliminary Engineering Report.
