RE: BUILDING PERMITS/ZONING IN TUSCARAWAS COUNTY, OHIO

Tuscarawas County does not have a county zoning resolution in effect.
Tuscarawas County does not have a building or zoning department.
However, building and or development permits are required by the following:

NOTE: Not all entities have websites.

- Dover Township, zoning and building department (330) 343-6413.
- Sandy Township, zoning and building inspector Terry Nill, (330) 859-2904.
- Lawrence Township, zoning and building department (330) 874-2731.
<http://www.lawrencetownship.org/zoning/>
- The area defined by the Harry Clever Field Airspace Zoning, as regulated by the Airport Hazard Zone Regulations. Owned by the City of New Philadelphia, OH (330)-364-4491.
- The areas' floodplain as regulated by the Tuscarawas County Flood Damage Prevention Regulations. Administered by Tuscarawas County Commissioners (330-365-3246).
- The areas identified as Flowage Easement by the Army Corps. of Engineers (330) 343-4661,
- Cities and Villages within the County. Contact the city or village for applicable building regulations and permits.
- For commercial, industrial, institutional and building construction, and residential with over three units: in Barnhill, Newcomerstown, Port Washington, and Roswell, contact the Ohio Division of Industrial Compliance, Factory and Building Plans Examination, 4661 Belpar Street, Canton, Ohio 44718 , (800-643-4842). For the rest of the county contact the East Central Ohio Building Authority, 339 Oxford St. Dover, Ohio 44622, (330-364-3164).
