RESOLUTION (839-2021)

PROCLAMATION – DOMESTIC VIOLENCE AWARENESS MONTH – OCTOBER

It was moved by Commissioner Metzger, seconded by Commissioner Abbuhl, to approve the following resolution proclaiming the month of October as Domestic Violence Awareness Month.

PROCLAMATION

DOMESTIC VIOLENCE AWARENESS

Whereas, Domestic Violence Awareness Month provides an excellent opportunity for citizens to learn more about preventing domestic violence and to show support for the organizations and individuals who provide critical advocacy, services and assistance to victims; and

Whereas, acts of domestic violence occur every 18 seconds in the United States; and

Whereas, domestic violence can take on the form of physical, emotional, sexual, psychological, and economic abuse; and

Whereas, oftentimes the victims of domestic violence are children, who can have lifelong repercussions from the emotional or physical trauma of being exposed to domestic violence; and

Whereas, domestic violence survivors and their advocates have rallied to the cause of victim justice; and

Now, Therefore, be it Resolved, that the Tuscarawas County Board of Commissioners, does hereby proclaim the month of October, as **Domestic Violence Awareness Month** and encourages Tuscarawas County citizens to support and participate in domestic violence awareness activities.

Commissioner Al Landis

Commissioner Chris Abbuhl

Commissioner Kerry Metzger

Discussion: *Commissioner Metzger stated that he serves on the Foster Care Committee with Job and Family Services which met a few weeks ago and discussed how the pandemic has caused domestic violence to rise. It is very appropriate to designate this month as Domestic Violence Awareness Month. The situation is not getting better, it is actually getting worse. Hopefully we will see a decline very soon. Commissioner Abbuhl agreed with Commissioner Metzger and added that he could not imagine children being afraid in their own home. This proclamation is an important one.*
Commissioner Landis stated the causes of Domestic Violence is linked to some kind of addiction a lot of the time. The pandemic and the stresses of trying to function through it is also a factor. We need to drive these numbers down. Bringing awareness to people that there is help out there is very important.

VOTE: Al Landis, yes;
Chris Abbuhl, yes;
Kerry Metzger, yes;

RESOLUTION (840-2021) K-9 DOG FYGO RETIRED

It was moved by Commissioner Abbuhl, seconded by Commissioner Metzger, to approve the following as per Ohio Revised Code Section 9.62 (C):

Whereas: Fygo, a drug dog utilized by the Tuscarawas County Sheriff's Office was recently retired from service; and

Whereas: K-9 Deputy Mike Creager had been the sole handler of Fygo since being purchased and Deputy Creager has sadly passed; and

Whereas: Sgt. Phil Valdez has been taking care of Fygo and would be the appropriate recipient of Fygo; and

NOW, THEREFORE, BE IT RESOLVED, that Sgt. Phil Valdez has chosen to purchase Fygo as authorized by this division for one dollar. Fygo will no longer be considered property of Tuscarawas County and will be the sole property of Sgt. Phil Valdez.

Discussion: *Commissioner Abbuhl pointed out this is a very specialized dog and the trainers get very attached to them. This makes good logical sense that this dog gets to retire with a handler that it is used to and they can provide a good home for the dog.*
Commissioner Landis said it is great to see an older dog that gets to retire. They served their county and Fygo is going to a good home.

Commissioners,

In June of 2018, our office purchased short barreled rifles manufactured by Gwynedd Manufacturing. Five (5) of these rifles were paid for from office funds and one (1) was paid for personally by Lt. Brian Alford.

Now that Lt. Alford is retiring from his full-time position, he has asked that the rifle be given to him. Lt. Alford will remain a Reserve Deputy with the office and will qualify with the weapon.

I feel it is right to donate the weapon to him since he paid for it initially. The weapon is legal for him to own. Initially, the manufacturer only sold the weapons to agencies but now sells to individual Law Enforcement Officers.

Would you please consider a resolution giving the weapon to Brian Alford?

I would also like to do a resolution donating K-9 Fygo to Sgt. Phil Valdez. As you are aware, K-9 Deputy Mike Creager passed away from cancer last year, and Sgt. Valdez has been taking care of the dog since Deputy Creager's passing.

I have attached the original ATF paperwork for the weapon along with the manufacturer's paperwork as filed with the ATF.

The weapon in question is:

Gwynedd Manufacturing Inc., Short Barreled Rifle in 5.56 caliber with serial number SD556001051.

Please let me know how we can proceed with these two matters.

Sincerely,

Sheriff Orvis L. Campbell

RESOLUTION (841-2021) DONATE SERVICE RIFLE TO LT. ALFORD UPON RETIREMENT

It was moved by Commissioner Abbuhl, seconded by Commissioner Metzger, to approve the following:

WHEREAS, In June of 2018, the Sheriff's Office purchased short barreled rifles manufactured by Gwynedd Manufacturing with five of these rifles paid from the office funds and one rifle paid personally by Lt. Brian Alford.

WHEREAS, Lt. Brian Alford is retiring from his fulltime position with the Tuscarawas County Sheriff's Office; and

NOW, THEREFORE, BE IT RESOLVED, the Board of Tuscarawas County Commissioners do hereby donate the one short barreled 5.56 caliber rifle (serial number SD556001051) that was personally paid for by Lt. Brian Alford to Lt. Brian Alford upon his retirement from the Tuscarawas County Sheriff's Office.

This action is taken upon the request of Orvis Campbell, Tuscarawas County Sheriff and reviewed by Robert Stephenson II, Assistant Prosecuting Attorney.

Discussion: *Commissioner Landis had conversations with Lt. Alford and Sheriff Campbell concerning this issue and feels very good about this.*
Commissioner Abbuhl wished Lt. Alford a happy and long retirement.
Commissioner Metzger thinks it is appropriate for Lt. Alford to take the rifle since he purchased it with his own funds and not county funds.

Discussion: *Commissioner Abbuhl stated that the employees at the dog pound are doing a fantastic job. When you look at the number of dogs picked up or dropped off, they are doing an amazing job at trying to get these dogs back with their owners or adopted out.*
Commissioner Metzger said the historical data has improved a lot. The number of dogs euthanized back in the day was very high. Now it is very low and this is not a death sentence for the dogs. The officers work very hard at getting the dogs adopted by good families.
Commissioner Landis commented on the upgrades at the dog pound that has created a safer and nicer environment for the dogs, employees and public.
