THE BOARD OF COMMISSIONERS OF TUSCARAWAS COUNTY MET IN REGULAR SESSION, MONDAY, THE 5th DAY OF JANUARY, 2022 WITH THE FOLLOWING MEMBERS PRESENT:

Chris Abbuhl  
Kerry Metzger  
Al Landis

Commissioner Chris Abbuhl Presiding.

*The Lord's Prayer was said.*  
*The Pledge of Allegiance was said.*

### RESOLUTION (5-2022) APPROVE MINUTES

It was moved by Commissioner Metzger, seconded by Commissioner Abbuhl, to approve the minutes of the December 29, 2021 meeting as written.

**VOTE:** Al Landis, absent;  
Chris Abbuhl, yes;  
Kerry Metzger, yes;

### RESOLUTION (6-2022) APPROVE MINUTES

It was moved by Commissioner Landis, seconded by Commissioner Metzger, to approve the minutes of the previous meeting as written.

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**RESOLUTION (7-2022) BEFORE/AFTER EXPENDITURES**

It was moved by Commissioner Metzger, seconded by Commissioner Landis, to approve the following before/after expenditures:

VENDOR	OFFICE	AMOUNT
Troy Pantelis	Water & Sewer	\$320.00

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**RESOLUTION (8-2022) OUT OF COUNTY TRAVEL – EMA**

It was moved by Commissioner Landis, seconded by Commissioner Metzger, to approve the following out of county travel request for The Park Department as recommended by Alex McCarthy, EMA Director.

**DATE:** January 10, 2022  
**LOCATION:** Knox County EMA  
**ATTEND:** Alex McCarthy and Hope Bonos  
**REASON:** Bi-Monthly Central Ohio EMA Meeting to discuss ongoing projects and issues  
**EXPENSE:** Meals: \$30 (\$15 for Alex and \$15 for Hope)  
 Travel : Alex - Using County Vehicle – 140 miles round trip  
 Travel : Hope – 130 mile round trip from Akron to meeting and back \$71.50

TOTAL = \$101.50

**Discussion:** *Commissioner Abbuhl questioned if Hope Bonos was coming from Akron to go to the meeting. Commissioner Abbuhl asked Jane Clay, Executive Assistant, if there have been exceptions made in the past for people to go to meetings straight from home. Mrs. Clay responded it was acceptable if the mileage was less to go straight from home vs coming into the office first. Commissioner Landis thinks there has been exceptions made in the past, and thought maybe Ms. Bonos was leaving from Akron because she is still in school and lives there.*

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**Discussion:** *Jesse Rothacher, Parks Director, was present and stated last year in 2021, the Commissioners authorized Mr. Rothacher to apply for the Strategic Initiatives Grant Program Award for somewhat the same project, but there have been increased costs, the Park Department is looking to apply again along with applying for a grant from the Rosenberry Foundation. The grants will be combined for improvements and new projects to the Towpath Trail extension. (Kimble Trail)*

**RESOLUTION (9-2022) AUTHORIZE 2022 OHIO & ERIE CANALWAY ASSOCIATION STRATEGIC INITIATIVES PROGRAM APPLICATION**

It was moved by Commissioner Metzger, and seconded by Commissioner Landis, to authorize the Tuscarawas County Park Department to apply for the 2022 Ohio & Erie Canalway Association Strategic Initiatives Program grant for the amount of \$12,500 to help with the final design phase and “if authorized” engineering and design costs of the Towpath Trail extension (“Kimble Trail”).

The Strategic Initiatives Program is a reimbursement award and requires a minimum 2:1 non-federal match. The intended match for this grant would come from the Friends of Tuscarawas County Parks, contingent upon the award of their \$25,000 grant request from the Rosenberry Foundation.

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**RESOLUTION (10-2022) OBSOLETE PROPERTY – COURT OF COMMON PLEAS**

It was moved by Commissioner Landis, seconded by Commissioner Metzger, to declare, as obsolete for the use for which it was acquired in accordance to Ohio Revised Code 307.12 (B).

- Canon Handheld Adding Machine/Calculator
- IBM Personal Wheelwriter Electric Typewriter

The items will be disposed of in accordance to ORC.

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**RESOLUTION (11-2022) OBSOLETE PROPERTY – OFFICE EQUIPMENT – SHERIFF'S OFFICE**

It was moved by Commissioner Metzger, seconded by Commissioner Landis, to declare, as obsolete for the use for which it was acquired in accordance to Ohio Revised Code 307.12 (B).

- Digital Video Cassette Motion Recorder - Outdated
- Programmable Repeater - Outdated
- Programmable Receiver – Outdated
- Sony HI8 Covert System – Outdated
- Covert Track Car GPD – Inoperable/Cannot be Fixed
- Stealth IV GPS – Inoperable/Cannot be Fixed

The items will be disposed of in accordance to ORC.

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**RESOLUTION (12-2022) APPOINT DON ACKERMAN APIARY INSPECTOR**

It was moved by Commissioner Landis, seconded by Commissioner Metzger, to approve the following:

WHEREAS, Don Ackerman has been determined by the Board of Commissioners to meet the minimum qualifications established for the position of Deputy Apiarist. Mr. Ackerman has met the statutory requirements of the Ohio Department of Agriculture.

WHEREAS, Don Ackerman shall be employed as an Independent Apiary Contractor and shall be appointed Deputy Apiarist with the consent and concurrence of the State of Ohio Director of Agriculture and shall be responsible to them for enforcement of sections 909.01 and 908.18, inclusive, of the Ohio Revised Code. Appointment shall be contingent upon the successful execution of the Independent Contractor agreement.

THEREFORE, be it resolved that Don Ackerman be employed as Deputy Apiarist at a rate of \$13.50 per hour with a mileage rate of \$0.55 not to exceed a total appropriation of \$2,000.00.

**VOTE:** Chris Abbuhl, yes;  
Kerry Metzger, yes;  
Al Landis, yes;

**Discussion:** *Commissioner Abbuhl appreciates the dedication of Don Ackerman to continue to serve as Deputy Apiarist, as there are not many people willing to serve in this capacity. Continued bee population and pollination is important to the agricultural industry.*

**RESOLUTION (13-2022) AGREEMENT – INDEPENDENT CONTRACTOR – APIARY INSPECTOR**

It was moved by Commissioner Metzger, seconded by Commissioner Landis, to approve the Independent Contractor Agreement for the Apiary Inspector, Don Ackerman, commencing on January 5, 2022.

**INDEPENDENT CONTRACTOR AGREEMENT**  
**APIARY INSPECTOR**

This Agreement made on **January** 5, **2022**, between Tuscarawas County ("County") and **Don Ackerman**("Independent Contractor").

Independent contractor is an independent contractor willing to provide certain skills and abilities to the County and that the County has need for an Apiary Inspector.

In consideration of the following mutual terms, conditions and covenants, County and Independent contractor agree as follows:

1. The County employs the independent contractor as an independent contractor, and the Independent contractor accepts such position.
2. The independent contractor shall be appointed as the deputy apiarist with the consent and concurrence of the State of Ohio director of agriculture. Such deputy shall work under the direction of the director of agriculture and shall be responsible to him for the enforcement of sections 909.01 to 909.18, inclusive, of the Ohio Revised Code. The director of agriculture may terminate the appointment of any deputy for reason(s) of incompetency, inefficiency or trustworthiness. Such deputy shall furnish to the director of agriculture such reports as required and upon blanks furnished by him.
3. The term of this Agreement shall commence on **January** 5, **2022**. After the first thirty (30) days of the term, either party may, without cause, terminate this Agreement by giving 30 days' written notice to the other.
4. County shall pay to Independent Contractor and Independent contractor shall accept from the County as compensation for all services to be provided pursuant to this Agreement, the sum of \$13.50 per hour with a mileage rate of \$0.55 not to exceed \$2,000.00 total appropriation. Independent Contractor is responsible for any and all taxes.
5. Independent contractor shall provide on an "as needed" basis the following services: The Apiary Inspector monitors Colony Health to curtail the spread of contagious bee diseases and pests. Independent Contractor shall devote such time, attention and energies as required.
6. Independent Contractor is an Independent Contractor and may engage in other business activities provided; however, that Independent Contractor shall not engage in those activities while providing Apiary duties to the County.
7. If Independent Contractor becomes unable to perform services pursuant to this Agreement by reason of illness, incapacity or death, compensation shall cease upon the happening of the event.
8. Neither party may assign this Agreement without the express written consent of the other party.

- 9. Independent Contractor is an Independent Contractor; nothing contained in this Agreement shall be deemed or interpreted to constitute the Independent Contractor as a partner, agent or employee of the County, nor shall either party have any authority to bind the other. The Independent Contractor shall have no rights to retirement benefits, sick or vacation leave, medical benefits, Holiday pay, personal days, workers compensation benefits or any other benefits eligible to employees of the County.
- 10. It is agreed between the parties that there are no other agreements or understandings between them relating to the subject matter of this Agreement. This Agreement supersedes all prior agreements, oral or written, between the parties and is intended as a complete and exclusive statement of the agreement between the parties. No change or modification of this Agreement shall be valid unless the same be in writing and signed by the parties.
- 11. All notices required or permitted to be given hereunder shall be in writing and may be delivered personally or by Certified Mail-Return Receipt Requested, postage prepaid, addressed to the party's last known address.
- 12. This Agreement shall be construed in accordance with, and governed by, the laws of the State of Ohio.

INTENDING TO BE LEGALLY BOUND, the parties have signed this Agreement, executed as of the date first above written.

**NO OTHER BUSINESS TO BE BROUGHT BEFORE THE BOARD.**

**Discussion:** Robert Snavely from Palmer Energy was in attendance to present the recommendations for the county electrical renewal through CCAO.

January 5, 2022

To: Tuscarawas County Board of Commissioners  
 From: CCAO Service Corporation & Palmer Energy Company  
 Subject: Electric RFP Refresh for Tuscarawas County Facilities

As the authorized consultant for the CCAO Service Corporations' Energy Programs, the CCAOSC and Palmer Energy issued an electric RFP for Tuscarawas County's facilities. This RFP included 16 accounts receiving electric distribution service from AEP Ohio and consuming approximately 3.0 GWh (3,000,000 kWh) annually.

The initial RFP was sent to 10 suppliers and each respondent was asked to provide two pricing structures, both beginning at the end of the current term, for terms ending in May 2023, May 2024, and May 2025 billing periods. **Based on direction from the County, refreshed pricing was requested from AEP Energy only.**

The table below summarizes the refreshed capacity pass-through offers from AEP Energy and uses known PLCs and capacity rates to estimate capacity costs. The proposed capacity pass-through offers, combined with the estimated capacity costs, are compared to the County's current rates to provide an apple-to-apples price comparison. Beyond May 2023, values have been estimated due to unknowns in the market. Palmer is confident this is the best-fitting approach for the County, though these values are subject to change based upon a number of factors.

Estimated capacity costs for Tuscarawas County for June 2022 – May 2023, based on current PLCs and the known system capacity rates, are approximately \$14,200, or \$1,190 per month. Actual costs for all years will vary based on final capacity rates, PLCs, etc.

Supplier	Term (Months)	Rate (\$/kWh)	Est. Annual Cost Savings VS Current Contract Rates <b>INCLUDING</b> Capacity
AEP Energy	12	\$0.05016 + capacity costs	(\$40,000)
AEP Energy	24	\$0.04836 + capacity costs	(\$35,000)
AEP Energy	36	\$0.04747 + capacity costs	(\$32,000)

The prices for all terms and suppliers proposed through this RFP are subject to federal, transmission organization, statewide regulatory changes, and/or material changes of the accounts included resulting in additional costs to the supplier. This is a standard provision across virtually every supplier and contract. These estimates are based upon historic annual usage and load information. Actual savings will fluctuate based on a number of factors including actual consumption and tariff rate and rider updates.

**Recommendation**

**Based on the original recommendation (dated November 16, 2021) and the refreshed offers received, the CCAOSC and Palmer Energy recommend Tuscarawas County execute a contract with AEP Energy for a term beginning with the June 2022 billing period through the May 2025 billing period.**

*Please note that the electric market has seen heightened volatility over the last several months. This has resulted in increased time-sensitivity on pricing proposed as all suppliers have the right to rescind pricing at any time based on intraday price updates. The rates shown in this recommendation are not final until a contract document*

*has been fully executed by both parties, therefore returning a signed contract as quickly as possible will help ensure these rates are locked in for program participants.*

#### **Renewable / Efficiency Projects**

If the County is planning any efficiency or renewable projects at any of the facilities included in this RFP, please let us know as this may ultimately change the recommendation outlined above.

#### **Capacity Pass-Through Information**

**(Previously provided on recommendation dated November 16, 2021)**

#### **Pricing Structures**

The CCAOSC and Palmer Energy requested two types of pricing structures through this RFP:

- All-inclusive – This structure includes all generation-related costs in one price per kilowatt-hour (kWh).
- Capacity Pass-Through – Under this structure, all generation-related components EXCEPT capacity costs are set at a fixed price per kWh. Capacity costs are billed as a separate line item at actual cost levels. Capacity costs will vary based upon several factors and will vary monthly based upon calculations that include the specific account's PLC, number of days in the billing cycle, and the system capacity costs for that planning year.

*How are capacity costs determined for a customer?* Capacity costs vary for each individual account and are primarily driven by a customer's Peak Load Contribution or PLC and the Capacity Rate for the given delivery year. The utility annually determines the PLC for each customer by comparing the customer's estimated or actual load (e.g. demand) during the five peak hours on the system from the prior summer.

#### **Why Capacity Pass-Through?**

There are several key reasons why capacity pass-through pricing was requested through this RFP process and why the CCAOSC and Palmer Energy recommend this structure for Tuscarawas County.

- System Capacity rates are unknown beyond May 2023. These rates are usually known several years in advance. However, due to recent regulatory changes with how these costs are determined, that is not currently the case.

Since future costs are partially unknown, suppliers are building estimates into their pricing models. This may result in a higher risk margin on future pricing and / or a higher chance of additional pass-through costs under a standard regulatory change clause in most supply agreements.

In standard contract language, if a supplier underestimates the capacity value, they could charge the cost difference between the estimated and actual costs charged to the end user. Adversely, if the cost is lower than what the supplier estimated, the customer is unlikely to see the difference returned to them through a credit or lower price adjustment.

- Wholesale energy market pricing remains highly competitive for future years. This pricing mechanism allows the County to take advantage of competitive energy pricing, without being subject to higher risk premiums and a significantly lower chance of additional costs through a longer contract term.
- Capacity pass-through pricing more accurately reflects the actual cost to the supplier, as the customer is paying for what they actually use versus a calculated average over a term. This helps to drive potential supplier risk premiums lower as they do not need to account for changes in Capacity levels over a multi-year deal.

**5577 Airport Hwy, Toledo, Ohio 43615 • Phone 419-539-9180 • Fax 419-539-9185**

- Capacity pass-through pricing allows a customer to see a direct benefit from the implementation of energy efficiency projects, building management, demand response, peak shaving, etc., as capacity costs are charged at actual cost levels.

**Please note,** if the County expects changes including the potential implementation of any efficiency or renewable projects at any of the facilities included in this RFP that could result significant operational changes, please let us know as this may ultimately change the recommendation outlined herein.

5577 Airport Hwy, Toledo, Ohio 43615 • Phone 419-539-9180 • Fax 419-539-9185

*Mr. Snively had refreshed pricing from AEP Energy including a Twelve, Twenty-Four, and Thirty-Six-month term. It was Mr. Snively's recommendation to go with the thirty-six-month term because there will be a savings of about \$18,000 by locking in the thirty- six-month term vs the 12-month term. Pricing has gone up, and pricing has gone down, but mostly up. Energy prices will probably continue to rise due to the supply and demand issues, different challenges with a new administration, carbon taxes and things along those lines.*

*Commissioner Metzger wanted clarification on the rates. If the rate has increased since the last contract, how on the estimate, is there is an estimated annual cost savings vs current contract savings that makes it look like there is a savings of \$32,000 a year, but is sounds like we are going to be paying \$32,000 a year. Mr. Snively stated it will be \$32,000 more a year.*

RESOLUTION (17-2022) AMEND RENEWAL – PALMER ENERGY

It was moved by Commissioner Landis, seconded by Commissioner Metzger, to amend the electric renewal as recommended by Palmer Energy contingent upon prosecutor's approval due to resolution being reviewed and approved by Assistant Prosecutor, Robert Stephenson, II.

### New Additions to TuscParks

The Tuscarawas County Commissioners and Park Department ("TuscParks") welcomed two new employees towards the end of 2021. Marsha Freeland and Craig Howell will be joining Jesse Rothacher, Park Manager, and Jane Clay, Park Coordinator, in the development of TuscParks properties. Marsha Freeland, the former Director of the Norma Johnson Center, was hired as the new Programming/Education Manager and Craig Howell was hired as Maintenance Manager.

Of the new hires, Jesse Rothacher says "I am really happy we were able to keep Marsha - she has the pulse of our community and brings a wealth of knowledge to the table. Craig is skilled, resourceful, and loves the outdoors. Your trails are in good hands."

Marsha Freeland can be reached at 330-365-3279 or [parkedu@co.tuscarawas.oh.us](mailto:parkedu@co.tuscarawas.oh.us) and maintenance issues can be reported to Craig Howell at 330-365-3288.

The Tuscarawas County Commissioners also received a donation of 63 acres of land at the Norma Johnson Center from the Tuscarawas County Soil & Water Conservation District. The Commissioners now own the entire 303-acre Norma Johnson Center and have placed it under the management of TuscParks.

TuscParks would like to thank the Tuscarawas County Commissioners, the Tuscarawas County Soil & Water Conservation District, and the Norma Johnson Conservation Center Foundation Board for their ongoing support in this process.
