RE: Bids
New Maintenance Building
160 1st Drive N.E.
New Philadelphia, Ohio 44663

Commissioners:

After receiving/reviewing and consulting with the apparent low bidders of the above referenced project, it is my recommendation that we accept the quote of \$847,794.00, Base Bid, submitted by "NL Construction Corporation". Architect's estimate was \$900,000.00.

Also, I would recommend that we have a meeting to discuss scheduling with contractors before signing a formal contract.

Respectfully submitted,

Bruce A. Widder

Discussion: *Commissioner Landis stated this was a contractor he was not familiar with and it is good to have Bruce Widder vetting things like this for the office. Commissioner Abbuhl added he is excited to finally get the maintenance building project going for equipment, a work area, storage and to get the maintenance department out of the historic attic of the courthouse. This has taken a long time and many phases to get to this point. It will be nice for maintenance to have a place to work, and not have to worry about interrupting court or other offices. Commissioner Metzger agreed with Mr. Landis and Mr. Abbuhl.*
