# RESOLUTION (387-2022) APPROVE ALLOCATION – LOCAL FISCAL RECOVERY FUND

It was moved by Commissioner Landis, seconded by Commissioner Metzger, to approve the allocation of \$900,000 of the Local Fiscal Recovery Fund – Revenue Loss replacement monies for construction of a County Maintenance Building.

Revenue Loss Replacement is an eligible expenditure that fall under the category section 6 specifically 6.1 Provision of government Services of the U.S. Treasury guidance of allowable uses of recovery funds.

VOTE:

Chris Abbuhl, yes; Kerry Metzger, yes; Al Landis, yes;

**Discussion:** Commission Abbuhl stated this has been a long time in coming for the Maintenance Department. Mr. Abbuhl wanted to identify for the record that our Maintenance Department houses a lot of equipment and things they need in the historic building of the courthouse and it never made logical sense to have them there, but there was no place to put them. Once the building is constructed, the Maintenance Department will have a place to get equipment out of the weather and be able to do work out there without disrupting any of the courts. This is a very good expenditure of the ARPA funds to be able to use those dollars for something that is going to last for decades for county use.

### RESOLUTION (388-2022) APPROVE ALLOCATION – LOCAL FISCAL RECOVERY FUND

It was moved by Commissioner Metzger, seconded by Commissioner Landis, to approve the allocation of \$345,000 of the Local Fiscal Recovery Fund – Revenue Loss replacement monies for purchase of public property for the future construction of a County multi-purpose Facility that will house the Board of Elections.

Revenue Loss Replacement is an eligible expenditure that fall under the category section 6 specifically 6.1 Provision of government Services of the U.S. Treasury guidance of allowable uses of recovery funds.

**Discussion:** Commissioner Landis stated this has been an ongoing mission. Mr. Landis thanked everyone involved, the Stokey family, Mayor Day, Ron McAbier, City of New Philadelphia, Service Director's Office and everyone else who helped pull this together. This step is just getting us to the starting line now, but it is an important piece of the puzzle. The commissioners did their due diligence in seeking out this property.

Jane Clay, Executive Assistant, noted to make the resolution a little clearer, it should have read "for purchase of public property for the future construction of a County multi-purpose Facility."

OTHER BUSINESS: Commissioner Landis stated on Friday, April 29, 2022, Encino Energy and Buckeye Career Center (BCC) partnered to do an energy tour with 20 BCC Energy and Heavy Equipment students. There was a tour of the Leeper Well on the Tuscarawas and Carroll County border. It was a great day to be out on the pad and Ohio Oil & Gas Association (OOGA) did a presentation for the students at BCC about careers that are available. It was a very successful day.

Jane Clay, Executive Assistant/Park Director, "wanted to highlight TUSCParks, especially Marsha Freeland our Education/Program Manager. In the month of April 651 individuals (children and adults) took advantage of programs and events that were offered through TUSCParks. This brings our yearly total to 1,341 so far. During April, Marsha has been working with the Education Service Center recording 4 different educational videos to be shown to the PreK-5<sup>th</sup> grade classrooms at Dover. The recorded video will be shown during the Dover Right to Read week. The topics are fireflies, slimy salamanders, painted lady butterflies and Toads. I was just told this morning that 1,217 students would

be watching each of the 4 videos that she sent over. Education numbers just went over 4,800 for the month of May and we haven't even started. So thank you Commissioners for believing in TUSCParks and your valued support as we continue to impact our community. Thank you to the park employees for doing a fabulous job!'

Commissioner Landis went to Indian Valley School to an unknown event. The event was for a kindergarten teacher from Midvale who had received a national award unbeknownst to her. Commissioner Landis would like to do recognition for the teacher and bring her in to a meeting so she can tell her story about this award. She received \$25,000.00 and a trip to Los Angeles, CA to be part of a team of teachers to talk about education. She certainly represents Indian Valley well and Tuscarawas County.

Commissioner Abbuhl stated there was a young lady on American Idol named Miss Flora, and her grandparents are from Uhrichsville. She is only 16 years old, made it to the top 11 and did a fantastic
