

Tuscarawas County has been awarded funding under the American Rescue Plan Act (ARPA) to promote the continued resurgence of our community. The purpose of ARPA funding is to address a public need that has been created or worsened by the COVID-19 pandemic and meets the usage and timing requirements of the ARPA legislation. It is the desire of our County to ensure that this one-time relief is used responsibly and equitably to ensure that the greatest number of residents are benefited. To further this community goal and address the greatest community need, the Tuscarawas County Board of Commissioners is inviting organizations to submit proposals for ARPA funding consideration. A link to the application is below. There will be training regarding the application on June 21st at noon in the Commissioners' Board Room or at 6 pm at the Tuscarawas County Convention and Visitors Bureau (CVB). You may also attend virtually by clicking on the links provided below.

If you have any questions regarding the application, you can email us at ARPA@co.tuscarawas.oh.us. Thank you.
