

TUSCARAWAS COUNTY LOCAL ADVISORY COMMITTEE (TCLAC) FOR THE OPWC PROJECT SUBMITTAL PROCESS

The TCLAC has established the following process to coordinate projects for submittal to the District 14 Integrating Committee. The goal of the TCLAC is to submit the strongest slate of projects with the best chance of being funded, thus bringing the maximum amount of grant and loan funding to the County. To accomplish this goal, we want to be able to coordinate, prioritize, and possibly combine projects prior to final submittal to District 14.

All agencies seeking project funding shall have a pre-application to the County Engineer at least two (2) months before the District 14 application deadline. The deadline for pre-application submittal for OPWC Round 38 is August 25, 2023. The pre-application shall include:

- Name of Agency sponsoring project with contact information on Agency letterhead
- A brief description of the proposed work
- A rough estimate of the project cost
- Amount of local funding anticipated

Be aware that this pre-application requirement is in addition to the District 14 application requirements located on the OPWC website
