PROJECT ACTIVITIES

Tuscarawas County, Ohio in the Appalachian foothills has a diverse economy, with Advanced Manufacturing, Healthcare, Service Sector/Retail, Tourism and Education. Broadband must expand into underserved and unserved areas. Commissioner Abbuhl stated, "Broadband access is not a luxury, it's a necessity today", but there are cost issues. Some residents have no internet or less than 12/5Mbps, so they connect at libraries, schools, restaurants, or Kent State Tuscarawas parking lots.

The Tuscarawas County Economic Development Corporation (TCEDC) and Economic Development Finance Alliance (EDFA) staff and volunteers participated in a 12-week Broadband Accelerator program to identify service gaps toward the goal of reliable, affordable broadband for all. A feasibility study was done, data were analyzed, and RFI's and RFP's were reviewed to select a provider. This project connects 10,725 underserved and unserved households and 246 businesses for a total of \$295 per home and businesses, compared to \$2500-\$3500 with other ISPs.

DISCUSSION: MUSKINGUM WATERSHED CONSERVANCY DISTRICT RECOGNITION: Ethan Zucal, Engagement and Outreach Coordinator, was present with several representatives of the Muskingum Watershed Conservancy District (MWCD). Ethan started by thanking the Commissioners for having the Watershed District in, their continued support and recognizing them. Ethan stated there is representatives from each of the areas that were recognized and he passed the meeting over to them. Eric Stechschulte, Deputy Chief, Planning and Projects, stated on of the main projects they are working on is the Buckeye Trail, and were awarded the Merrill Gilfillan Award for Visionary Agency Partners by the Buckeye Trail Association. Dylan Sayre, Trails Coordinator, the Trails Program began in 2021. We have been busy building and maintaining our trail system. There are about 29 miles off off-road trails and about 29 miles of on-road trails as well. The whole state has 1,400 miles of trail. We have a great partnership with the Buckeye Trail Association.

Dave Lautenschleger, Chief of Engineering, stated the Chippewa Creek runs into the Tuscarawas River. These eight flood control dams are in Wayne, Medina and Tuscarawas County. There is 33 miles of channel that is also maintained by this project. Adam Liston, Chippewa Project Coordinator, which is a sub-district of MWCD and the Corps of Engineers. Chippewa Project oversees eight dams. Four of them are dry and four of them are wet. We were honored to be awarded the Best Maintained Dam by the Ohio Dam Safety Organization.

Matt Thomas, Chief of Conservation, is looking for this year to be a kick-off for some of our philanthropy funding towards scholarships, fellowships and community grants in coordination with the Foundation for Appalachian Ohio for \$200,000 a year. This will cover all counties in the watershed. We were very honored to be awarded the Chaddock Philanthropist of the Year Award by the Foundation for Appalachian Ohio.

Craig Butler, Executive Director, added the MWCD is very thankful for the recognitions. Not only the Commissioners but by the partners that we have. This is a reflection of our staff members.

Commissioner Zemis, stated the MWCD is a community asset to Tuscarawas County. We appreciate the effort that you are making. There is a lot that goes into being able to go to a lake and camp and enjoy yourselves for a weekend. We are happy to see the investment not only in our community, but the district as a whole. Congratulations.

Mr. Butler added that the MWCD wanted to try and find out what their economic impact was in the counties that they serve, so they used the same assessment that the gas & oil development across the state. Using the same method, the assessment estimated that with the \$200 million t hat has been invested in the MWCD infrastructure. The assessment revealed that the impact was just under \$1 billion and we are just getting started!

Commissioner Ress closed by thanking everyone for all of the work and dedication they put into our Conservation District.

The Clerk read the recognition onto the record.
